CHAMBER OF COMMERCE
Together to Prosper

Green Pledge for Chamber Operations

March 26, 2019

The proposed pledge will signify our dedication to reducing paper use and ink, conserving energy and water, and investigating future considerations to be an environmentally-friendly organization. As a network leader and advisor to our community, the Chamber should make the best efforts to influence environment friendly activities for our organization affiliates and Chamber members.

In the immediate, the Organization pledges to:

- 1.) Begin building an online membership investment PDF form.
- 2.) Utilize digital resources for handbooks, committee and affiliate charters, and other policies.
- 3.) Use Energy Star qualified components for future equipment needs.
- 4.) Recycle non-confidential and/or non-proprietary paper items when capable.

Date of Adoption:
